What are cookies?

This Cookie Policy explains what cookies are and how we use them, the types of cookies we use i.e, the information we collect using cookies and how that information is used, and how to manage the cookie settings.

Cookies are small text files that are used to store small pieces of information. They are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make it more secure, provide better user experience, and understand how the website performs and to analyze what works and where it needs improvement.

How do we use cookies?

As most of the online services, our website uses first-party and third-party cookies for several purposes. First-party cookies are mostly necessary for the website to function the right way, and they do not collect any of your personally identifiable data.

The third-party cookies used on our website are mainly for understanding how the website performs, how you interact with our website, keeping our services secure and providing you an improved service.

Types of Cookies we use

Different browsers provide different methods to block and delete cookies used by websites. You can change the settings of your browser to block/delete the cookies.
